

College Downs, Sato, and Vipond Park Playground Equipment Survey

SURVEY RESPONSE REPORT

02 June 2020 - 29 January 2025

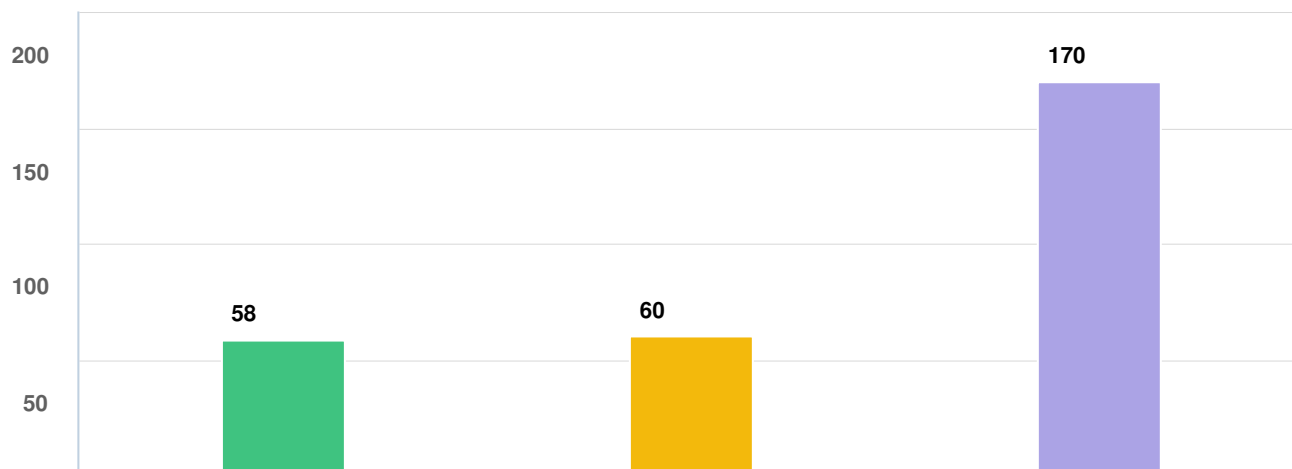

PROJECT NAME:

Help Design Whitby Parks, Playgrounds, And Trails

SURVEY QUESTIONS

Q1 Select which park(s) you would like to share your feedback on.

Question options

● College Downs Park – 549 Reynolds Street ● Sato Park – 38 Sato Street ● Vipond Park – 100 Vipond Road

Mandatory Question (273 response(s))

Question type: Checkbox Question

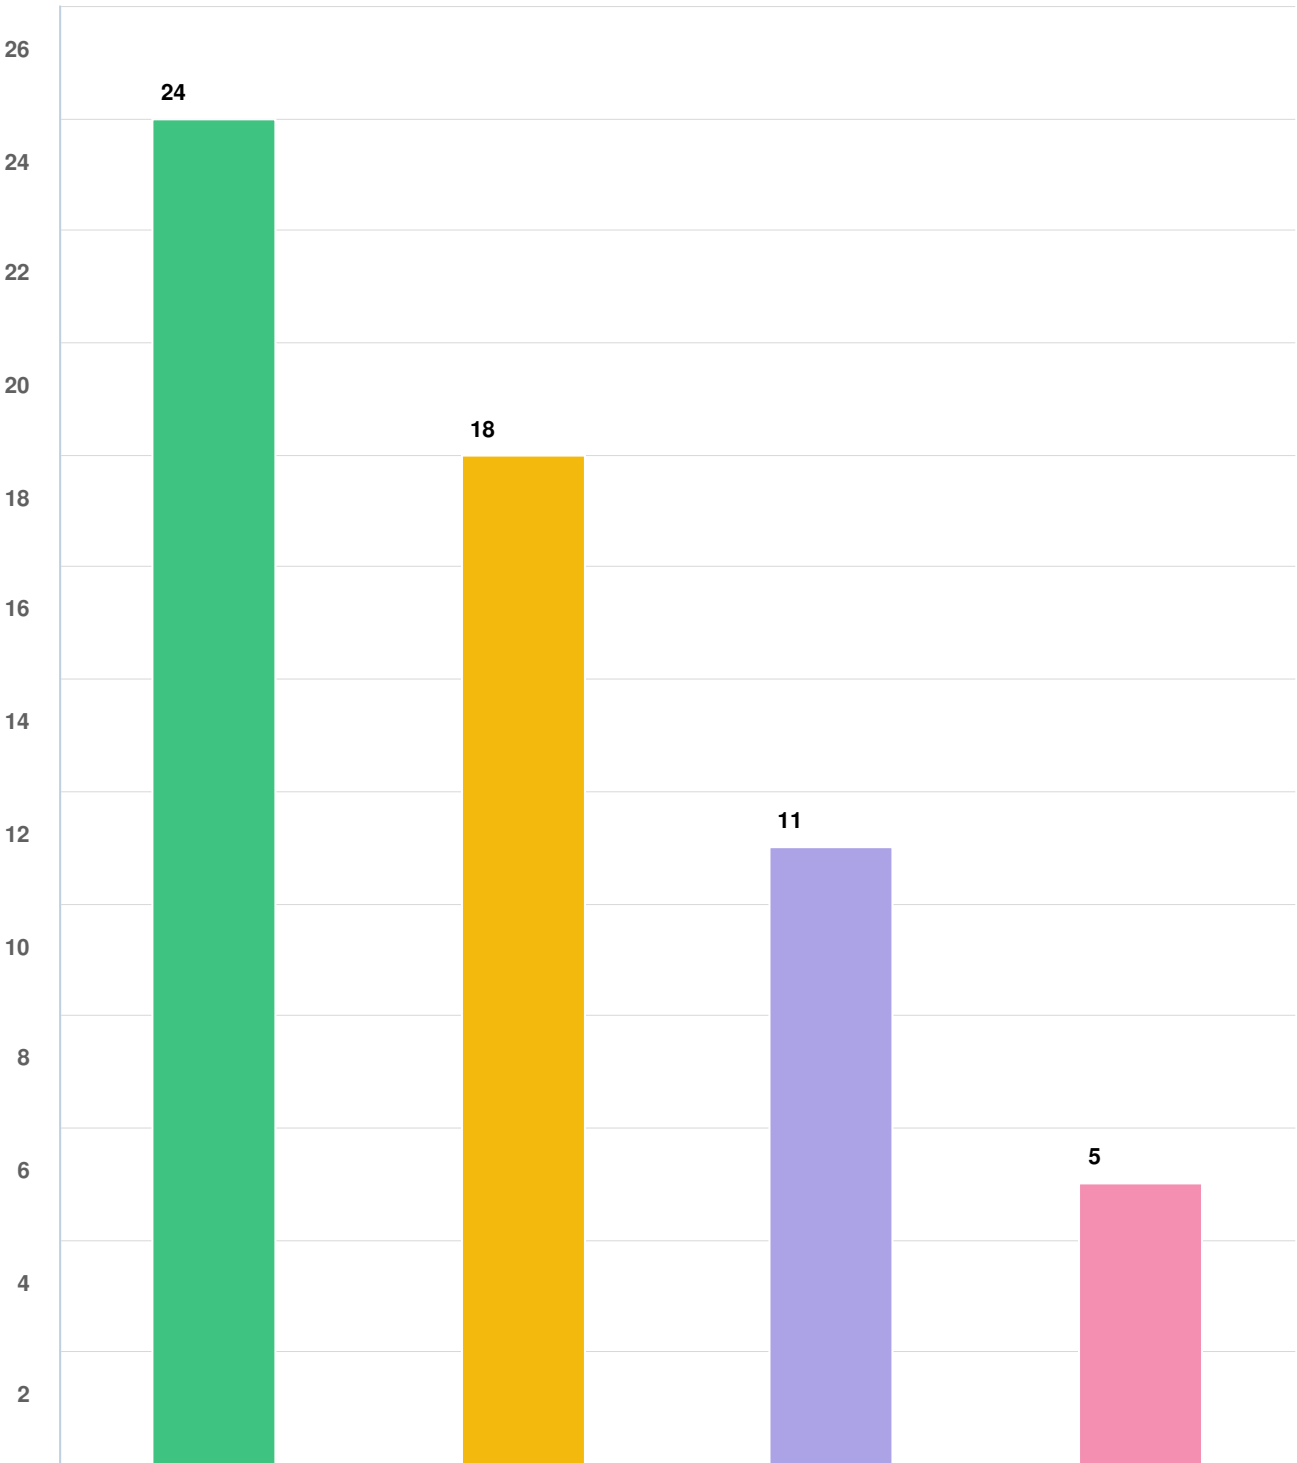

Q2 Rank the following playground components from most important to least, one being most important. Efforts are made to incorp...

OPTIONS	AVG. RANK
Slides	3.47
Swings	3.84
Shade	4.50
Ground Play Components	4.98
Elevated Decks	5.02
Tunnels	5.97
Balance Beams	6.00
Spinners and Rockers	6.47
Musical Instruments	6.95
Quiet Zones	7.81

Mandatory Question (58 response(s))

Question type: Ranking Question

Q3 Select your preferred playground equipment style. Note: these are example images only, playground equipment and colours may differ. Select/click on image to enlarge.

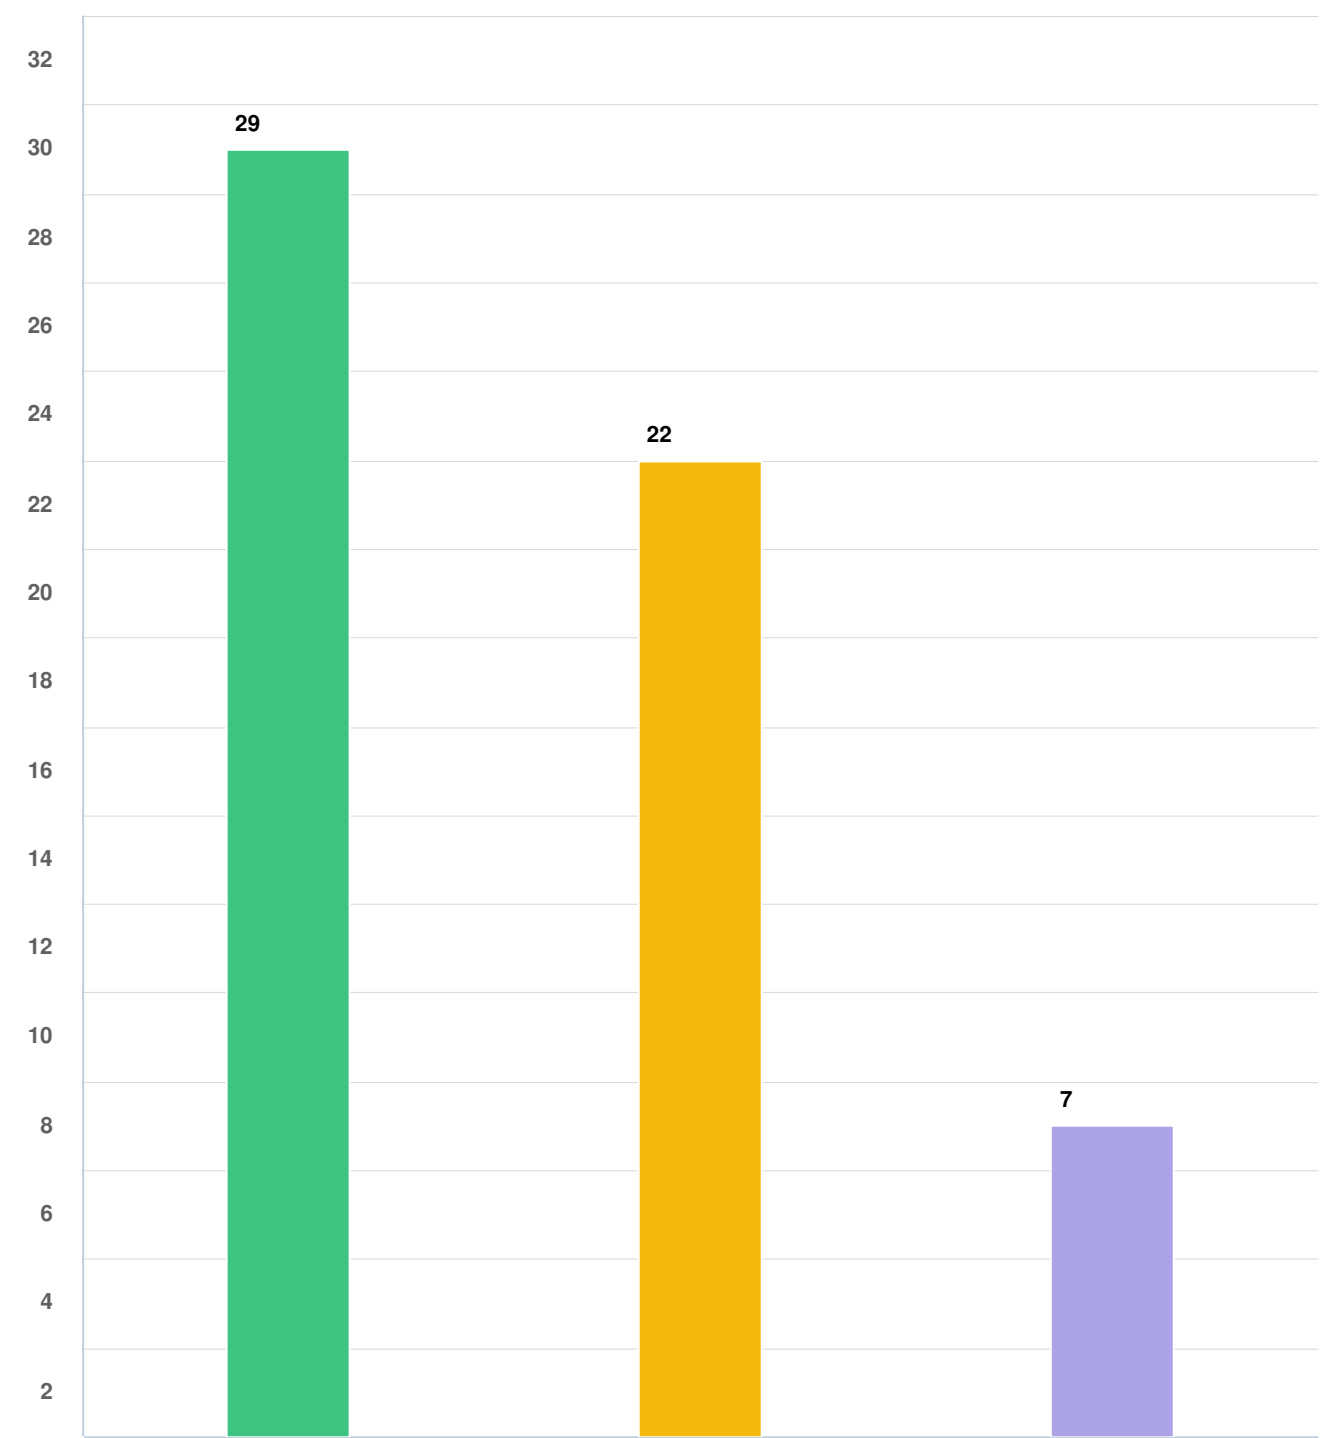

Question options

Modern Contemporary Nature Themed Ground Based / Physical Based Traditional

Mandatory Question (58 response(s))
Question type: Checkbox Question

Q4 Select your preferred colour palette

Question options

- Modern metallics with bright, multicolored accents
- Earth tones (brown, forest green, beige, etc.)
- Primary colours (red, blue, yellow)

Mandatory Question (58 response(s))
Question type: Checkbox Question

Q5 | Do you have any additional comments about the proposed playground renovation?

Anonymous

1/07/2025 10:08 AM

The playground now is great with sort of 2 areas for older and younger kids. The younger kids don't feel intimidated by older kids playing at the park also. They have separate areas which are respected. Also keep it sand so many kids play in the sand.

APTaylor

1/07/2025 10:27 AM

Additional lighting through the park is preferred.

Anonymous

1/07/2025 10:31 AM

The current proposed location for the sand play area would need shade. The other side of the seating has shade, but there is also a garbage can there which gets lots of wasps in the summer. They would need to be switched. Can planting more trees be included?

Allison Cushing

1/07/2025 10:36 AM

Add lights on the pathway for a safety feature

Anonymous

1/07/2025 11:31 AM

it would be nice to include a water park too. thank you!

Anonymous

1/07/2025 11:45 AM

While the input from the adults of the community is important, the children in our community should really be the ones giving us their opinions, ideas/ wishes; the playground is for them. It is for the adults to make it safe/ cost effective, etc.

Anonymous

1/07/2025 03:20 PM

Why are you wasting my tax dollars on parks instead of trying to rebuild our economy? Yet again, town of Whitby shows they have no idea what the people actually need. How about giving people access to GOOD PAYING jobs.

Anonymous

1/07/2025 03:38 PM

Please make a real accessible playground. My daughter is in a wheelchair and can't use slides, climbers etc. An accessible swing also would be great. Also consider a fenced playground for kids that are elopers. Thanks!

Janet Dignem

1/07/2025 03:51 PM

Park benches (several), perennial/annual flower/bush/stone tiered gardens surrounding playground. . Similar canopy structures above park bench seating. Meandering foot paths through the park--more than just one. Rubber? floor for impact protection.

Anonymous

1/07/2025 04:37 PM

More shade provided by many more native trees please

Anonymous

1/07/2025 04:49 PM

Lower monkey bars for younger kids. Rock wall climber. If a splash pad is possible, it'd be great to have there! Please and thank you!

Sansom

1/07/2025 05:19 PM

The area should be enlarged

grant sigsworth

1/07/2025 06:31 PM

Why was water pad not an option?

Anonymous

1/07/2025 07:48 PM

Zip line please.

Anonymous

1/08/2025 08:48 AM

no more sand!

Anonymous

1/08/2025 09:54 AM

very much needs accessible play

Anonymous

1/09/2025 12:51 AM

Build an indoor playground for winters

Wyong

1/09/2025 06:56 PM

Thank you the equipment is very old.

Anonymous

1/09/2025 10:18 PM

Benches and garbage cans year round

Anonymous

1/10/2025 07:46 PM

How about adding a couple of things that adults can also use for exercise i.e. chin up bar if not an entire small section of outdoor workout type equipment. Also balance surfboard type structures.

Anonymous

1/10/2025 11:58 PM

The ground cover would be best to be a rubberized cover

Tessbap

1/12/2025 04:18 PM

Making it accessible for all different kids

Anonymous

1/13/2025 04:25 PM

More shade for the adults who supervise would also be nice.

Anonymous

1/14/2025 08:18 PM

Please add an off leash dog park in that space

Anonymous

1/15/2025 02:10 PM

Design the vegetation so parents and kids can always see one another.

Anonymous

1/16/2025 08:20 PM

skate park needed

Anonymous

1/16/2025 11:10 PM

Make it modern and more versatile

Anonymous

1/20/2025 01:39 PM

please consider children of all ages as you design this park

Anonymous

1/24/2025 09:39 AM

While I think the idea of incorporating accessibility concerns into park infrastructure is important, I think it could be done by adding rather than replacing the existing structures which are fully functional.

Anonymous

1/26/2025 06:14 PM

Benches and seating for caregivers, and seniors with shaded options. Discourage vagrants, drug users, graffiti and gang tagging. Need frequent grounds inspections to ensure grounds remain kid safe, and welcoming to families. May require evening light?

Anonymous

1/27/2025 10:12 AM

Adding more physical equipment like climbing walls, balance beams, or monkey bars would be awesome. These can help kids develop important physical skills like coordination, strength, and balance while keeping them engaged.

Optional question (31 response(s), 242 skipped)

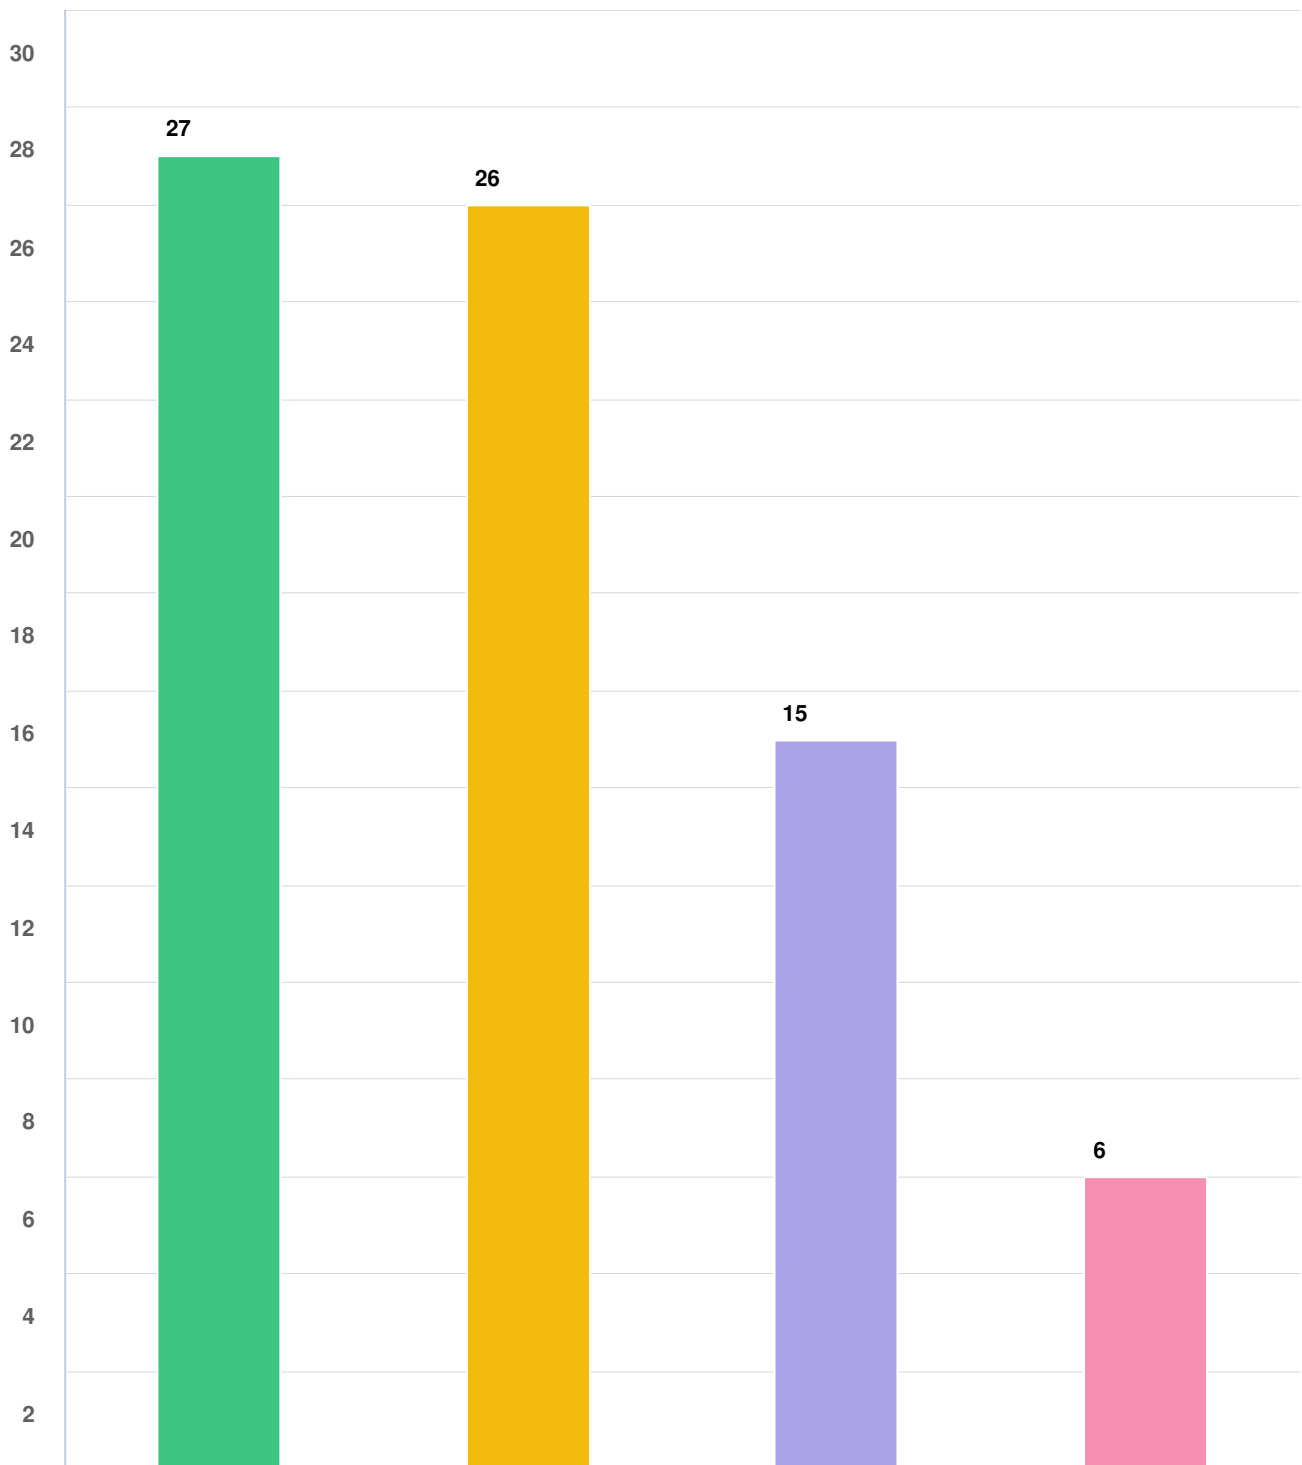

Question type: Single Line Question

Q6 Rank the following playground components from most important to least, one being most important. Efforts are made to incorporate as many different components types as possible, however, playground equipment designs are limited to available space.

OPTIONS	AVG. RANK
Slides	3.35
Swings	3.52
Ground Play Components	4.72
Shade	5.17
Elevated Decks	5.30
Spinners and Rockers	5.82

Question type: Checkbox Question

Q8 Select your preferred colour palette

Question options

- ☒ Modern metallics with bright, multicolored accents
- ☒ Earth tones (brown, forest green, beige, etc.)
- ☐ Primary colours (red, blue, yellow)

Mandatory Question (60 response(s))
Question type: Checkbox Question

Q9 Do you have any additional comments about the playground and basketball half court renovation?

Anonymous

1/07/2025 10:17 AM

Being as natural as possible- bring the woods and nature into play with lots of shade

Anonymous

1/07/2025 11:04 AM

basketball court attracts older teens that can be loud and use foul language and it is located too close to the playground with young children

Anonymous

1/07/2025 11:32 AM

Would be nice if it accommodates both younger and older kids

Anonymous

1/07/2025 11:32 AM

Renovate the basketball half court, potentially make it full court

Anonymous

1/07/2025 12:18 PM

The park has an open field perhaps add a splash pad or soccer nets. It's a huge space that kids end up leaving the park equipment and venture to the side open yard. Huge potential there! Maybe add picnic tables or shade umbrellas or sandpit with water.

Anonymous

1/07/2025 01:32 PM

I love this park and the layout! It would be fun to see the nature areas utilized a little, without interfering with the natural-ness. E.g.log/natural balance beams, stepping stones, discovery spots. Could also supplement quiet zones.

Anonymous

1/07/2025 06:52 PM

Could the green space beside park be used for splash pad? No pads nearby

Anonymous

1/07/2025 10:46 PM

A smoother cement pad that is better for roller blades or road hockey. Hopefully the large open field of grass remains. (Excellent for playing soccer, football or baseball and for making snowforts)

Anonymous

1/07/2025 10:57 PM

Would be nice to have a sand play area and monkey bars. Also would be nice to keep the existing grass field area.

Anonymous

1/08/2025 06:44 AM

Basket ball court need complete renovation. It's in really bad condition.

Anonymous

1/08/2025 09:18 AM

New ground cover. It's currently sand and rocks.

Anonymous

1/08/2025 10:20 AM

Shade and soft ground cover is a must

Anonymous

1/08/2025 10:44 AM

Keep basketball nets!

Anonymous

1/08/2025 11:32 AM

For Sato park the monkey bars are very important to the kids.
Change the ground to rubber or wood mulch. Basketball court needs to be leveled and new net installed that isn't heaved.

Anonymous

1/08/2025 03:21 PM

Trees on the corner of Bancroft/sato block sight lines so kids dart out. Remove tree or substantially trim. Pergola provides no shade and is rotting. Basketball net is shifted and too high. Also at the top of the park. Get hit with ball sitting on bench

Anonymous

1/08/2025 03:49 PM

Equipment for a range of skill levels/physical abilities and some things for toddlers. Innovative or unique equipment that isn't the same thing you see at every park in the area. A splash pad!

Anonymous

1/08/2025 05:26 PM

Would prefer rubberized ground cover as opposed to sand or wood chips.

Anonymous

1/08/2025 05:46 PM

bicycle racks, numerous bench seating, picnic tables

Anonymous

1/08/2025 06:04 PM

The outline is really burned making it to the point where you can't even see it and the back board is really rusted there is no net and you should probably make a raisable net with a glass or similar to glass back board with and a white net make court bigger

Anonymous

1/08/2025 06:29 PM

Please keep sand instead of wood chips as kids can get wood splitter in the hand if they fall. Also small babies might start eating those wooden chips.

Anonymous

1/08/2025 06:59 PM

Put in one disc golf basket!

Anonymous

1/09/2025 03:36 PM

More climbing structures if possible as the kids have a blast running around the elevated decks. Thank you!

Anonymous

1/09/2025 04:25 PM

N/A

Anonymous

1/09/2025 08:36 PM

Na

Anonymous

1/10/2025 10:25 AM

Property tax increases are significantly higher than rate of inflation causing stress for seniors on fixed incomes. Please keep repairs minimal as the park doesn't see heavy use. Three 6 x 6 posts on the pergola and one basketball net need to be replaced.

Anonymous

1/11/2025 12:49 PM

No

Anonymous

1/11/2025 01:04 PM

The basketball court is underwhelming, and hoop is clunky while there is often no net

Anonymous

1/11/2025 10:25 PM

Lots of sitting space with shade and picnic tables with shade for families to not get heat stroke. Water components and not dark surfaces feet will burn on. Heat and shade is a big reason families can't struggle at parks often fighting for the best spot

Anonymous

1/12/2025 10:01 AM

There is a shortage of pickball courts. The green space is not used much, can a future add be an outdoor pickleball court?

Anonymous

1/12/2025 03:53 PM

The park is in need of a renovation, make sure to add a small indoor cabin type of building with washroom and a small place to sit for adults while they watch their kids play, so they can meet more people in their neighbourhood.

Anonymous

1/13/2025 04:23 PM

Soft rubber safety flooring would be important

Anonymous

1/14/2025 12:12 PM

Rubber flooring for the playground,climbing wall, main water park feature

Anonymous

1/15/2025 02:10 PM

Design the vegetation so parents and kids can always see one another. Love the basketball part, more outside play for kids.

Anonymous

1/16/2025 10:36 AM

Please keep recreation space for older kids to meet and play at

Anonymous

1/21/2025 05:34 PM

The basketball court has become a more dangerous place at night in recent years, less shady trees and places to sit near it would be best. Growing up, many of us liked the rock walls and different types of ladders. Less noisy musical stuff would be better

Anonymous

1/22/2025 10:43 PM

A nice area for benches and maybe a water feature?

Anonymous

1/24/2025 01:12 PM

Baseketball netting that can't be ripped preferring the ones made from chains

Optional question (37 response(s), 236 skipped)

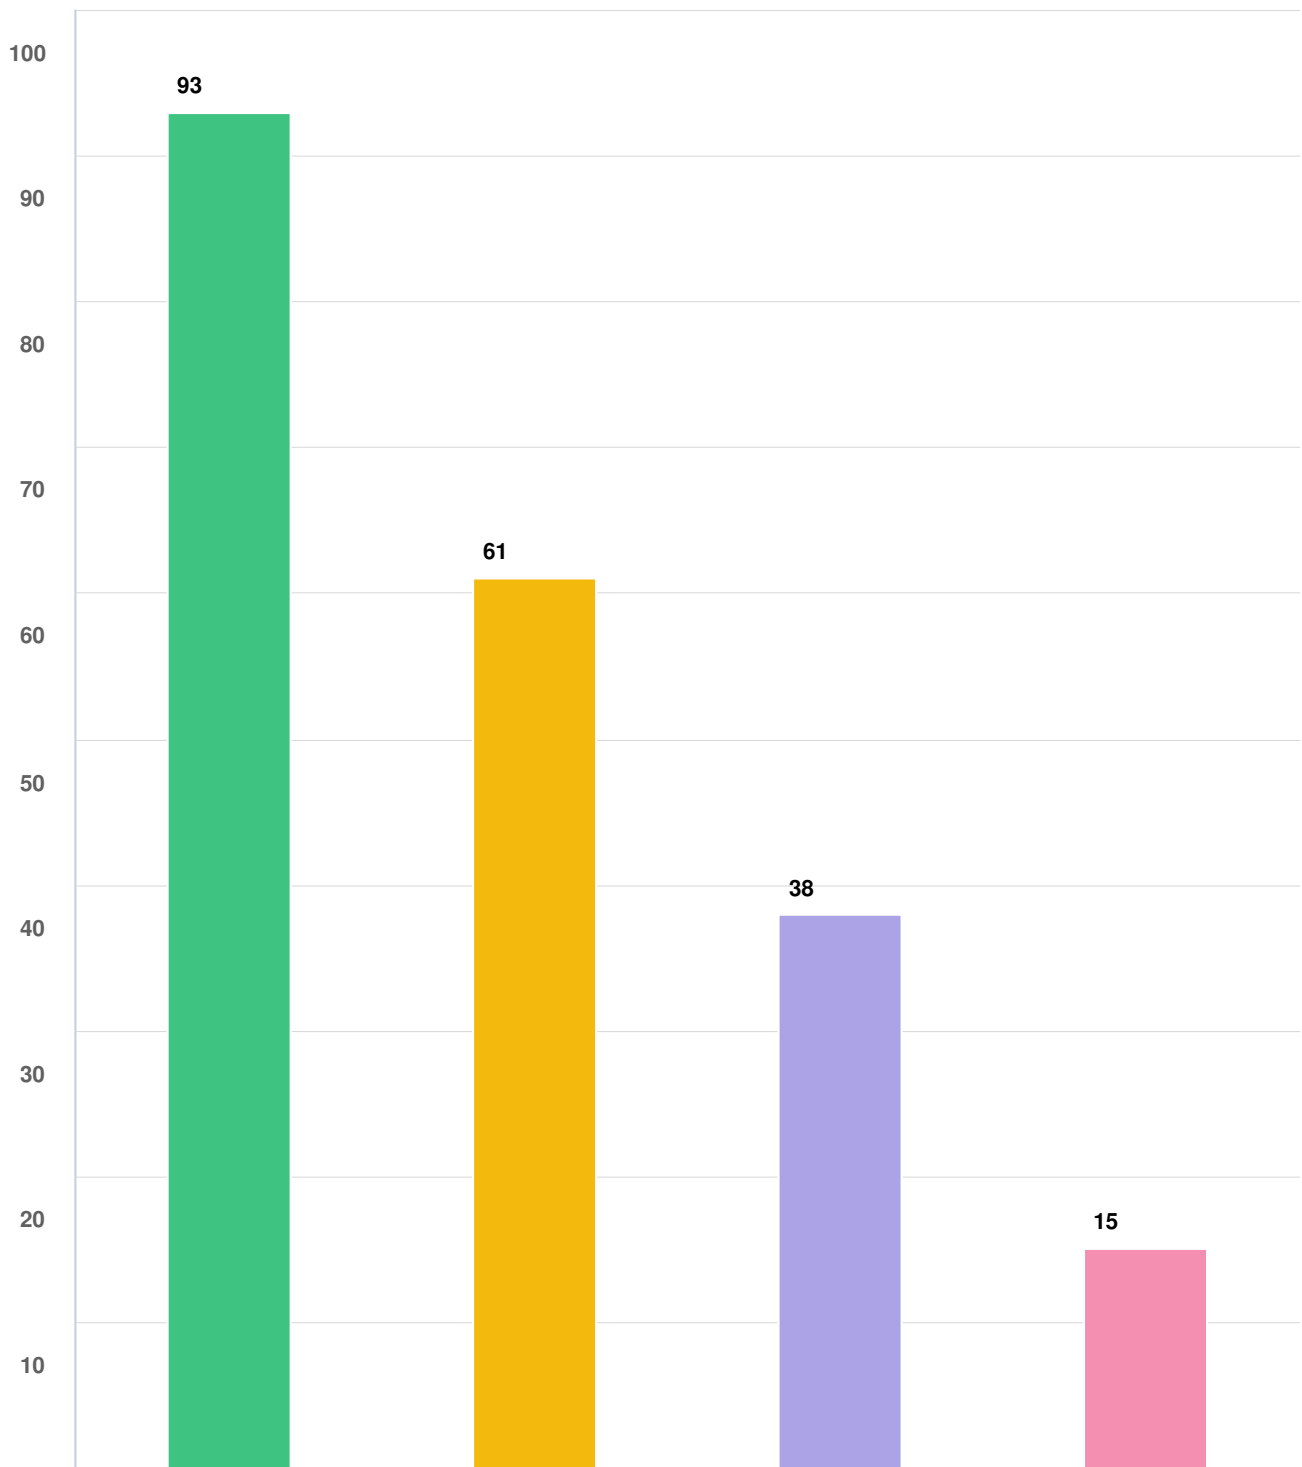

Question type: Single Line Question

Q10 Rank the following playground components from most important to least, one being most important. Efforts are made to incorporate as many different components types as possible, however, playground equipment designs are limited to available space.

OPTIONS	AVG. RANK
Slides	3.69
Swings	3.94
Shade	4.38

Mandatory Question (170 response(s))
Question type: Checkbox Question

Q13 Do you have any additional comments about the playground renovation?

Anonymous

1/07/2025 10:20 AM

Please get rid of the sand with rubber surfaces or woodchips

Anonymous

1/07/2025 10:31 AM

Teenagers tend to hang out at this park at night. Broken glass and smoking paraphernalia is often found mixed in the sand/ground. Please make the ground material safer/easier to clear of dangerous debris. Thank you for redoing this park. Much needed!

Anonymous

1/07/2025 10:44 AM

Soft foam flooring is preferred over wood chips or sand, makes me feel like they kids are safer when they take any kind of fall. A small splash pad would be so great at this location!

Anonymous

1/07/2025 10:47 AM

No

Anonymous

1/07/2025 10:48 AM

We would love if there was a waterpark component to this park as my children love this at the other parks.

janiceyuen04

1/07/2025 10:59 AM

A mini zipline would be nice

Anonymous

1/07/2025 11:04 AM

My family loves themed parks. Baycliffe is a legendary park known across the GTA due to its unique features and theming. Bradley Park is "rock climbing park" because of its uniquely huge climbing rocks. My kids and I dream of this for Brooklin!

Anonymous

1/07/2025 11:11 AM

Make the base something that is NOT sand or woodchips.

Anonymous

1/07/2025 11:16 AM

Please for the love of god stop spending! there is nothing wrong with the current Playground at Vipond park!

Anonymous

1/07/2025 11:22 AM

I would request to replace sand as it becomes too dirty every time when my Kid goes to play. Better to replace it with something else that's soft and safe for Kids such as Rubber Mulch.

Anonymous

The town of Whitby has considerable budgetary constraints as

1/07/2025 11:23 AM

property taxes keep increasing. Vipond has an existing park is it a necessary spend to redo it? What is the expected cost of this if a parkway (Grass Park) cost \$900k to facelift?

stew10

1/07/2025 11:35 AM

A splash pad would be a huge boost to the neighbourhood. It's currently a pretty significant hike up to the Carnwith Park splash pad, and the summers are only getting hotter. A place to cool off for the South Brooklin kids in the summer would be fantastic

Anonymous

1/07/2025 12:10 PM

No wood chips!

Anonymous

1/07/2025 12:26 PM

Vipond park is long overdue for a renovation...Will be a welcomed change!

Anonymous

1/07/2025 12:56 PM

Local residents would love a splash pad as there aren't any in a walkable distance. Also a relocation of the baseball diamond or median down entire road. Cars parking along Vipond cause major issues with the bus & traffic. No park signs don't work

Anonymous

1/07/2025 01:04 PM

Really hoping for rubber mat flooring instead of wood chips (like at McKinney park)

Anonymous

1/07/2025 01:10 PM

Climbing equipment would be great - the spider web type and monkey bars.

Anonymous

1/07/2025 01:27 PM

There needs to be a splashpad. A good splash pad. In fact I think it is way more important than the park itself. There are tons of bloggers that blog about parks like www.threetravelling

Anonymous

1/07/2025 01:36 PM

Should be no sand, rubber material, zip line, saucer swing

Anonymous

1/07/2025 01:40 PM

Shade for parents. Give the park as much shade as possible please. If possible a water feature would be great for kids

Anonymous

1/07/2025 01:44 PM

Need shade for kiddos and places to sit for parents and breaks.

Anonymous 1/07/2025 02:21 PM	Picnic benches for parents and kids to snack and eat. Water fountain for kids to drink. kids
Anonymous 1/07/2025 02:23 PM	Wood chips instead of sand ground cover; splash pad
Anonymous 1/07/2025 02:23 PM	Can we please get a zip line and water park? There are no water parks close to us walking distance this would be great! An outdoor skating rink in the winter:)
Anonymous 1/07/2025 02:31 PM	I am so glad to see Vipond Park will be getting an overhaul, it is long overdue! Please consider also filling in the playground with something other than sand, which has attracted many wasps to build nests near the slides. Wood chips would be great.
Anonymous 1/07/2025 02:33 PM	Yes! Can you please make it accessible by using a rubberized ground rather than wood chips or sand? That would be incredible. Thank you
Anonymous 1/07/2025 02:48 PM	This playground needs a splash pad or stream like Darren park. The other splash pad is a long walk to get to in the heat.
Anonymous 1/07/2025 03:10 PM	Having a park that is a destination would help the community grow and support local businesses. I hope it has a personality and different activities to get my kiddo to want to go. A zip line!
Anonymous 1/07/2025 03:18 PM	Large splash pad
Anonymous 1/07/2025 03:41 PM	Hopefully Vipond will be done soon (needs a lot of work)
Kim Davies 1/07/2025 03:48 PM	We would like to have monkey bars and a splash pad if possible.
Anonymous 1/07/2025 03:50 PM	Would really like more swings and things for younger kids
Anonymous 1/07/2025 03:55 PM	Looking forward to the new park!

Anonymous 1/07/2025 04:12 PM	Can we have more playground equipment to fill the space? So much open sand area, older kids on bikes often fly through while the younger ones are playing. It's too vast. And some shade would be ideal. Thank you!!!
Anonymous 1/07/2025 04:36 PM	All ages and inclusive would be nice.
Anonymous 1/07/2025 04:44 PM	Splash pad!
Anonymous 1/07/2025 05:03 PM	I prefer the soft, spongy surface for around the play equipment. Woodchips and sand can become quite hard, especially in cold conditions. This can be hazardous. My grandchildren both enjoy the design at Lynde Creek Park and the "Bee" Park. Both are good.
Anonymous 1/07/2025 05:06 PM	Would love the addition of a splash pad!
Anonymous 1/07/2025 05:19 PM	It would be nice to see a communication board for children who are non verbal to be able to request and item or communicate with new. Inclusive
Anonymous 1/07/2025 05:23 PM	Please include some parking for the baseball diamond.
Anonymous 1/07/2025 05:23 PM	Change unused tennis courts pickleball courts
Anonymous 1/07/2025 05:34 PM	Accessible playgrounds are very important. A splash pad is always nice too.
Anonymous 1/07/2025 05:39 PM	Parking for the baseball diamond at five vipond Park is a big problem in the summer. If you carve out some of the grass along Vipond you will provide safer parking for the families attending the game and the local residents
Anonymous 1/07/2025 07:18 PM	More modern and items suited for growing kids, our area is maturing

Anonymous

1/07/2025 07:55 PM

It would be EXCELLENT to have a splash pad in this neighbourhood.
Rubber groundcover (similar to McKinney Park), bathroom facilities,
multiple shaded benches that face the playground, rope web for
climbing

rpcollin

1/07/2025 07:55 PM

Additional bench seating for parents supervising their child/children
facing the park would be appropriate.

Anonymous

1/07/2025 08:07 PM

When visiting Quebec they have swings that are built to hold a
wheelchair, is that possible to have here? Just a suggestion.

Anonymous

1/07/2025 08:19 PM

Zipline

Anonymous

1/07/2025 08:22 PM

Please, for the love of God, shade for the park and for parents
watching their kids.

Anonymous

1/07/2025 08:59 PM

Turf/cork material for the ground of the playground. Also my daughter
absolutely loves monkey bars so that would be an hit. Also it would be
awesome to add a skatepark attached to the park.

Anonymous

1/07/2025 09:10 PM

No sand, add a water feature

Anonymous

1/07/2025 09:43 PM

Make it DIFFERENT. Make it so much better than the typical,
proposed, same things as every other park in Durham. Make it more
nature themed with natural elements and wood.

Anonymous

1/07/2025 09:50 PM

It is long overdue! Monkey bars and ninja warrior type bars please

Anonymous

1/07/2025 09:55 PM

Why not make the park an accessible park for all different
accessibilities.

Anonymous

1/07/2025 10:30 PM

These are starting to feel like cookie cutter parks. I'm not sure these
questions really capture what is needed. We need to create more
variety in parks. They all have slides, swings and different ladders
and walls for climbing. Look into new designs

Anonymous 1/08/2025 12:11 AM	I'd like it to have some aesthetic resemblance to the original current playset and for it to be friendly to different ages. shade is super important considering how there's barely any at the moment. I'd like to see the play area expanded
Anonymous 1/08/2025 06:44 AM	Shade, shade, shade! Vipond Park has been a scorcher spot since it was built, my child has outgrown the park, but I feel for the kids and parents/care givers that go to this park in summer, just horrible - nowhere to retreat from the sun at all!
Anonymous 1/08/2025 08:47 AM	Addition of a splashpad to support the increase in population and development in the area. Also a distinction between big kids and little kids area
Anonymous 1/08/2025 09:42 AM	More climbing walls !
Anonymous 1/08/2025 09:56 AM	Covered seating area to block the sun. Add a water pad for the little kids. Continue the sidewalk on Denbury Ct through the park to Vipond so seniors and students have access in the winter when snow is piled up.
Anonymous 1/08/2025 10:17 AM	include a washroom please and a fountain
Anonymous 1/08/2025 11:45 AM	Water park
Anonymous 1/08/2025 01:13 PM	I'm so glad vipond park is getting some much needed love! Thank you!
Anonymous 1/08/2025 01:13 PM	The most important part for accessibility and inclusion is a surface that accommodates all needs, like a rubberized floor. Sand and wood chips are not accessible for walkers, wheelchairs or people with low mobility
Anonymous 1/08/2025 04:08 PM	Fun for bigger kids
Anonymous	Sports court like a ball wall or basketball net would be good. Kids use

1/08/2025 04:43 PM

the baseball backstage fence as a shooting net for hockey. as

Anonymous

1/08/2025 06:01 PM

Have more for big kids too

Anonymous

1/08/2025 10:23 PM

Consider a rubberized surface at the playground. Two adjacent Basketball Courts would be an insightful and forward thinking approach. There is ample space and a great need for these facilities at this location.

Anonymous

1/09/2025 12:53 AM

I've got 3 kids and every time we visit the park there is always a fight over the swings as in this park there are only 2. This park desperately needs more swings for able bodied kids.

Anonymous

1/09/2025 05:40 AM

Would love a splash pad, monkey bars/ninja bars, replace sand with woodchips or foam?

Anonymous

1/09/2025 07:16 AM

Please add a splash pad

Anonymous

1/09/2025 01:10 PM

Lots of wasted space here. NEED PARKING!!!!!! Someone will be seriously injured due to the amount of cars parked for baseball each summer. This is a bus route and the bus can barely get through on it's own let alone 2 cars trying to pass. FIGURE IT OUT!!!

Anonymous

1/09/2025 03:44 PM

Add parking so there is no longer on street parking.

Anonymous

1/09/2025 05:04 PM

It would be nice within neighbourhood to have off leash component to the park for our dogs. Safe for the kids, safe for the dogs

Anonymous

1/09/2025 05:04 PM

More integration of garbage receptacles, and pets

Anonymous

1/09/2025 08:49 PM

Splash pad! Monkey bars! More

Anonymous

1/09/2025 10:30 PM

Add a splash pad

Anonymous 1/10/2025 09:39 AM	it would be great to include a splash pad/water feature and covered/shaded area(s) were families can sit.
Anonymous 1/10/2025 10:00 AM	provide appropriate accessibility access to the playground & its components for disable person, wheelchair and color impaired person
Anonymous 1/10/2025 10:29 AM	provide proper access to the playground & its components for disable person, wheelchair and color impaired person. seatings for the caretakers. shade for old folks while reading & looking after kids. parking lots.
Anonymous 1/10/2025 12:53 PM	Neighbourhood cycled and it appears that current demographics have aged up from toddler to grade school age and preteen average. Play elements with a 10-15 year lifecycle should reflect and serve this demographic.
Anonymous 1/10/2025 06:05 PM	No woodchips, benches for parents, consider engaging the kids 8 plus with higher slides, rock climbing wall, zipline
Anonymous 1/10/2025 06:22 PM	Lots of climbing options! Would be great for babies right up to older kids if multiple climbing options were offered
Anonymous 1/11/2025 10:14 AM	Plz call my 8 year old son Birch Winkley at 905 258-2208. He would like to give you his input. Thanks
Anonymous 1/11/2025 10:10 PM	Water park!!!
Anonymous 1/12/2025 12:41 PM	I would really love to have a appropriate place surface that is accessible, sand, gravel, wood chips are not accessible.
Anonymous 1/12/2025 05:13 PM	SHADE is so important at parks now.
Anonymous 1/12/2025 07:42 PM	having one of the slides that is a tube is a favorite and could at least have one slide not to hot in the sun.
Anonymous	It would be amazing to see the floor of the new playground be the soft

1/13/2025 09:54 AM	rubber material instead of sand (least desirably) or wood chips. A zipline would also be very popular.
Anonymous 1/13/2025 02:39 PM	Perhaps two pickleball courts to be added.
Anonymous 1/13/2025 07:35 PM	No wood chip base. Soft foam or rubber would be ideal.
cmore 1/14/2025 08:34 AM	I would prefer the inclusion of some ground based components along with the traditional playground equipment.
VaneT 1/14/2025 03:26 PM	Adding a fountain for drinking water will be great for those hot days.
Anonymous 1/14/2025 07:00 PM	The playground + all equipment renovations need to be accessible for all ages, accessibility-physical, emotional, etc. Design needs to account for safety of children + ease for adults who monitor. Shade is paramount. Nature materials to encourage play.
Anonymous 1/14/2025 07:18 PM	Add more swings, a bouncy area and netting. Also a skate trail would be so cool!
Anonymous 1/15/2025 02:10 PM	Design the vegetation so parents and kids can always see one another.
Anonymous 1/16/2025 01:12 PM	Monkey bars or something similar would be great. Also, a giant spiderweb for climbing. A splash pad would be nice too. Thanks.
Anonymous 1/16/2025 03:57 PM	We would prefer to have a splash pad at this park.
Anonymous 1/16/2025 03:59 PM	We would prefer to have a splash pad at this park.
Anonymous 1/18/2025 09:05 AM	I'd like to see some type of farm animal theme as this park was once a part of the Vipond farm.
Anonymous	This area of Brooklin could really use a very fun new park, excited for

1/19/2025 02:37 PM

the redo!

Anonymous

1/19/2025 06:28 PM

please do not use wood chips for base, it looks ugly after a few years and turns into a mess and hard for kids to walk on.

Anonymous

1/19/2025 06:36 PM

Please also think about adding zip line, kids just love this equipment

Anonymous

1/19/2025 06:43 PM

Making it with Accessible (wheelchair swing or wheelchair teeter-tauter), or even an accessible swing, wheelchair platforms /w ramps to go up and down (on & off)

Anonymous

1/19/2025 08:47 PM

Can you please not use sand as the base of the park. The foamy material would be preferred. Wood chips and sand create too much mess

Anonymous

1/21/2025 06:39 PM

Splash pad would be awesome

Anonymous

1/22/2025 06:29 PM

Prefer no sand at playground, that soft rubber material is best like at McKinney Park

Anonymous

1/25/2025 05:05 PM

No sand.

Anonymous

1/27/2025 08:46 AM

I've always thought this area would be an excellent place for an off the leash Park.

1/27/2025 02:43 PM

If there is any way possible to incorporate some parking to help to eliminate people parking on the street on both sides of the road making it difficult to get around the subdivision using Vipond and Kimberly and is dangerous with children darting out.

Anonymous

1/27/2025 06:35 PM

Please no sand. Ground material rubberized (like Folkstone park)

Anonymous

1/27/2025 09:43 PM

Would love to have a splash pad. This is a very large park with too much empty sand space.
